

# KENYA & TANZANIA SAFARI

14 Days Nairobi to Nairobi

Kenya - Tanzania

This 14 day tour combines the best of Kenyan and Tanzanian game parks in the comfort of lodge accommodation and private transport. Departing Nairobi our first stop is the scenic lookout over the Great Rift Valley, which runs the entire length of Africa. The Masai Mara beckons and our next few days are spent roaming this amazing reserve searching for the famous "Big Five". A balloon ride over the plains is one of the most enjoyable ways to capture the full perspective of what this area has on offer. Passing Lake Naivasha we travel onto Lake Nakuru and Samburu National Parks. These game parks host a number of different wildlife - from pink flamingos to playing sanctuary for white rhino. Crossing the border into Tanzania, our next few days are dedicated to the Serengeti National Park, Ngorongoro Crater and Lake Manyara. These parks are truly spectacular; where open grasslands make way for steep mountain ranges, a massive crater opens into a wildlife lovers dream, and thick jungle areas give you the chance to spot tree climbing lions. A fitting end to an experience of a life time!
