The Trans Africa is the ultimate overland challenge. From the markets of Fez and Marrakech, we pass through the Atlas Mountains into the Western Sahara following the ancient trading routes and camel trains into Mali. On through the jungles of Ghana, we travel to Togo and Benin where local cafes and beaches provide endless variety of entertainment. We cross Nigeria into Cameroon, and continue on through The Democratic Republic of Congo and Angola. Etosha National Park and the sand dunes of Namibia are two of the numerous sights we will visit in Southern Africa as we make our way to Cape Town and the end of our 22 week section. We then head North towards Botswana and the Okavango Delta. Next is the adrenalin rush of Victoria Falls before relaxing on a Lake Kariba Houseboat. Onto Lake Malawi followed by the Spice Island of Zanzibar for some well deserved down time on the white sand beaches. Tanzania and Kenya give us an amazing array of game parks before heading into Uganda in search of the magnificent Mountain Gorillas, and finishing in the capital city - Nairobi. We will sand mat and sunbathe, build bridges, raft rivers, track game, eat dust and have the most awesome adventure money can buy!
